

Nearly 6am and I have yet to be away to my bed to sleep....those whom ken (know) dinnae sleep it is said....and those whom have been through their own version of things on in the world behind the scenes that few ken (know) of yet many are awakening to, nae only cannae sleep, they also struggle with whether it is time to share the story untold....the story of a life full of being harmed, abused,tortured and worse by forces on this earth that nae anyone can fathom and a story that only in part hath been shared yet never fully for fear of a target upon her or the ones she loves head...and yet even through it all she still hath risen above such and healed from and helps so many even now with all that is on (in the world) for she has been through such....yet so many now are so supportive where for so many a year she had nae support as so many are awakening now, so many more understand and are free from judging, just simply there holding yer hand....speak even if yer voice shakes....for we all have a voice and the power is with Source/God, and within....Love rather than fear...Love Never Fails, Love always wins....to be continued... ~

OMG! WOW! Well this just only confirms my story even further now!

<https://www.itv.com/news/2020-05-04/minister-conor-burns-resigns-after-attempting-to-intimidate-member-of-public-using-privileged-status/> I ken (know) damn well right he dinnae resign due to this! Whence ye here my story and even ye may remember me sharing this with ye whence I was first here in this country....this bloke is from and in Bournemouth which is a HAVEN for sex/human trafficking and I lived (stayed) there for a time....and is REALLY the reason he resigned! Wow! Talk about confirmation eh!

Remember Wayne Dyer's book with the monarch butterfly and his story of it....this is why I shared with ye in my audio message I sent ye a fortnight or so gone now that Hayhouse, Wayne, Deepak, all of them even Beckwith are being MK Ultra or part of the cabal as well <https://youtu.be/MRJKp5cxb4> this video shows the monarch butterfly and is the extended version of what I sent ye via email of the shorter version and also goes with what I sent ye of my story of what they have tried to do with me. My former husband always used to say how calm I was during a trauma whether it was me it was happening to etc. Well it is a gift but for me it is a multi~dimensional gift nae through disassociation and that is why they seek after me classic MKUltra <https://twitter.com/BeachMilk/status/1256928748219314177>

And the reason mine is multi~dimensional rather than disassociation is because I never experience the fluttering they do. What the cabal dinnae like is that I have the ability to heal it as I did so they dinnae have power over me anymore and also I have the ability to help others to heal as well and that is one of many reasons why they have sought after me. why do ye think Bruce Lipton speaks of imaginal cells?....butterfly anyone?

Monarch is also for another reason besides the butterfly....the Queen, monarch....the elites who feel they are above us in the heirarchy, who is at the top of a heirarchy? The monarch, aka crown, aka corona, aka corona virus, aka it all goes back to the crown! And the mirrors they speak of in the video....they are for me of multi~dimensional consciousness within integration (rather than fragmentation as they use it for) as I Am integrated despite all the times they tried to fragment me I healed such and they could never break me and that is why they seek me as well

<https://youtu.be/NA4PbspvFvE>

<https://youtu.be/IUOTwKuxWb4> this is good, about remote viewingish but nae anywhere close to what I do nor teach yet it is confirmation of what I share of my story in the audio I sent ye

~~~~~

To understand my most recent post before this one (see post below here on my timeline) is to understand deeply a new way of seeing. For some of ye may remember at the beginning of all that is on right now in the world that I shared that the reason I Am so calm, centred, and able to handle everything that is occurring with us all in the world is because I hath already been through my own version of this (and far worse) which has me have a deeper understanding of what everyone is experiencing. It takes deep understanding, compassion, and experience first hand to be able to deeply understand, have compassion through that experience. Without it, there is nae context. As is said in Shamanic Native Traditions, to walk a mile in someone's moccasins is to understand....for it is said that the truth cannae be told, it is to be shown, ie to mean, experienced....

How does one share such experiences without an understanding, compassion, and experience of such experiences?

Do people really understand now what these lockdowns have been all about and why they are really happening?

Can people understand things like sex trafficking, human trafficking, torture, enslavement, being sought after as a TI (targeted individual) due to yer spiritual gifts (and other reasons), what knowledge/wisdom ye ken (know) that they feel can somehow help them to win and harm others~ ruining yer life, reputation, taking away yer home, family, everything and everyone that ever meant or means anything to ye to the point of them even taking yer life (of which ye hath come back from death many times) all because that is their agenda is to harm ye and all of humanity?

Have people heard of Q? (links to such that I dinnae have in original post

<https://qmap.pub/>

The ache in my heart is nae just for humanity, for me, it is personal....

Those whom ken (know) cannae sleep....

yet our greatest power comes from rising above into Love, to heal, integrate, and to speak/share, in taking our power back from those who seek to silence us or worse....

Feeling secure and protected is vitally important....I used to use the word safe and still do, yet mean it in another way for I have long understand since I was wee that they use safe to mean something far different....

....there is a Cherokee proverb that says the highest calling for a Divine Feminine Goddess woman is to bring a man to his soul again & again, and the highest calling for a Divine Masculine man is to protect woman so that she is free to roam the earth....

....what do ye do whence all yer life ye feel ye nae had anyone protecting ye? Ye end up staying silent as a form of protecting yerself, kenning (knowing) the only one who will ever protect ye/save ye is Source/God and yerself. Many are reawakening to the ancient ways....

....so that the Divine Masculine man once again is our protector nae out of dependency or neediness on our part, yet because it is what is right. Love/Source/God always is and does what is right in following his/her heart....so too are we to be....

....some moments it takes a long time to heal whence ye follow yer heart which is of God/Source/Love's heart only to find ye are harmed even more....clearing yer mind and healing into yer heart once more to understand they are deeply wounded within them....

....to harm another as they do. It dinnae excuse/condone their behaviours, yet it gives ye an understanding, compassion, mercy. Hurt people hurt people Lost souls whom have forgotten Source/God & who we are made in that image/likeness of the sacredness we all are, hurt others....

....forgive them for the ken (know) nae what they do Jesus said....a tall order perhaps, yet wise words to live by and vital for healing....to be continued.... ~❤️🙏❤️🙏

Predictive programming....they have been telling us all along of how they would control us....future proves past....ever seen the film Deja Vu? ....

What if there was the ability to see into what we call the future and affect the timelines in the past/present? What if there is nae past or future and they are all just simply occurring simultaneously multi~ dimensionally right here right now at once as I have been writing of, teaching etc for over 35 year plus now? What if I ken (know) this because I have a unique ability that all of us actually have (yet some of us more than others yet has yet to be fully awakened in all of humanity that whence it is is the greatest threat to their agenda for global population control/manipulation/annihilation) that can actually see that in the Akasha (Akashic Records) and then to make choices to guide those timelines from what we have already chosen as souls before this life or any other? What if this gift she chooses to (and has chosen since birth to) utilise to benefit humanity in awakening them to their gifts of such rather than their agenda which causes her to be a threat to their agenda? What if she had to hide much of this for all these years and teach on the QT (quiet, q tip) to keep herself and those she loves safe yet they have done everything to silence that even still (as per previous posts)?

This is a gift I was born with, came here with, been doing since I was a wee lass....

Ever heard of Project Looking Glass and Project Montauk?

What if there was someone on this earth that they could use without having to use the apparatus of the looking glass or montauk chair who could see, experience, know the outcomes of humanity and these timelines? Can ye understand why she would be sought after as a TI (Targeted Individual) to use her for their benefit to harm all of humanity to see if they would win as per my other 7 posts below in my timeline here (particularly whence the other 'psychics' could nae see such and whence those apparatuses were taken from them)?....Do ye wonder how and why Trump came into office and what his true mission is? Have you heard of Q?

I invite ye to understand something deeply please, what I Am sharing here is nae just what I have seen, it is what I have experienced....and wisdom that I ken (know) of both in experience

of my gifts first hand, connections with Source itself, the Akasha and other multi~dimensional beings, as well as, research of over 35 plus year...direct experience in being attacked as well in being a TI (targeted individual)....understand what I share below of all my previous posts is nae just things I have seen online as many of ye have, I have actually experienced this....where my life in many ways has been harmed due to all of this....and it is finally time to begin to share my story and knowledge/wisdom....I take risk in doing such, this is nae easy for me....to be continued....~❤️🙏❤️🙏

~~~~~  
To continue from my previous posts (please see my timeline below of all my posts related to this)....

....so what are the life lessons (or as we say in soul, soul remembering remembered) from all that is on now in this world?....what did I learn from being harmed by the cabal as I was?.... Standing for freedom, truth, and Love means nae about dependence/co~dependence nor independence as both are extremeisms that are unintegrated and imbalanced. It is interdependence that is the middle path that is important. Interdependence is beyond the overused saying of we are all One. It is a deep understanding, inner knowing, feeling, emotion that because we are all made of the same vibrational frequency energy that God/Source is, that truly I Am ye, and ye, are me and therefore I cannae harm ye without also harming me as we are connected, bonded, One. Therefore we are to be as Jesus shared with us, loving one another, taking one another as if they are us, as they ARE us. Taking one another as if they are God/Source incarnate, for they ARE, WE ALL ARE.

The cabal are souls whom have lost their way and forgotten who God/Source is and forgotten that we are all One in this way. And as such we are to as Jesus said (and as I wrote below in my other posts) to forgive them for they dinnae ken (don't know) what they do, to mean what I write above of how they hath lost their way. Does this mean that justice is to nae be served for crimes against all of humanity which also includes me and what they have done? Nae. Justice IS to be and will be served! Yet done so in mercy as I shared in my video (if ye nae hath seen it link is below in my other posts below on my timeline here)....

What this lesson or soul remembering means as well as we are to look deep within to see where we all each of us hath done the same as the cabal and forgotten our fellow humans, forsaken them and nae seen them as part of us or better said as us or as God/Source/the Master Artist is. Through our choice in nae taking responsibility (responseability, ability to respond in, through, as Love/God/Source) we have unconsciously and in some ways consciously allowed the separation that the cabal have indoctrinated into us to rule us all causing fear and harm to one another.

Even now with this 'virus' people are afraid to get to close to one another for fear of 'infecting' people. And in doing such, the cabal win because that is what they want is to keep us separate/divided and alone. Our true power is in being better together. Even if ye get some virus (which yer body has the incredible ability to heal from as it has millions of viruses in our bodies everyday and it heals itself naturally just as a cut does WHENCE ye give it the proper nutrition and things it needs and stop giving such that harms it and detox from such harmful things prior given) what is it are ye willing to stand for? Are ye willing to stand for or risk infection and even maybe becoming ill or dying for LIFE, to be able to LIVE and enjoy life

again? Even those we may live with could become ill, doth that mean we will spend out our lives living in some alone bubble allowing the cabal to win never going anywhere nor being with anyone again? Is THAT REALLY living?! Did ye nae risk yer life every day, every moment, as ye moved around to work or the pub or to have a cuppa with friends etc anyway knowing (albeit unconsciously perhaps) that ye could get a virus etc sitting on that toilet in the restaurant etc? Did that EVER stop ye from living THEN? WHY should it now?! SO many are afraid of dying that they forget to LIVE and HOW to live in deeply meaningful ways within what truly matters! We hath live for FAR to long like the walking dead having only lived half assed lives most of us on this earth, being enslaved to a consciousness that promotes separation, harm to ourselves and one another, dependency/co~dependency or independence so hard fast that we deny our true connection to, for, with one another and instead favour service to self rather than being OF service to one another, consumerism, all soul draining qualities that take our power and give it to the cabal. Do we REALLY want the cabal to win that way?

This is about all of us taking back our power we hath given away and to stand....stand for togetherness in MEANINGFUL ways, to let go of addictions, distractions, and to REALLY LIVE in MEANINGFUL WAYS! To have deep meaningful, intimate conversations, connections and to take one another as us, as GOD (the Gift Of Divinity) we all are and to stand for that truth, that Love, that peace, that appreciation of, for, and with one another! To stop allowing the governments of the world and other people to tell us how we are to live and to begin to create a life of our own and together where we take responsibility (responsibility, ability to respond) for our health, our well being, our livelihood without dependency/co~dependency on the government to take care of us. I applied just to see if I could get the EIP in America (which is supposed to be free money for ALL whom were born there it nae matters) and because of the failed system it is, it said I could nae get it as I owed some first time homebuyer payment and I dinnae even own a home! Yet I was appreciative that I nae qualified for it as only once did I ever even qualify for anything and that was my death 4 1/2 year gone and to be faire I appreciate that I never have as it helped me to stand in my own power and as hell as it has been I made a LIFE for myself and LIVE happier than I ever did with depending upon my former husband or abusive family etc for such over the years. I co~create together with those whom I assist and I Am there for them and they for me in interdependence where we take one another as one another, as God/Source would. Do I live some luxurious life with riches galore? Nae. Yet all my needs are met just as I meet the needs of those whom I help in spiritual mentoring, counsel, etc. as God/Source always provides, the meek shall inherit the earth. It is a win win for all and I may nae be rich in having a house or a car or other such things BUT I Am rich beyond measure in a life I LOVE and LOVE to LIVE!

I hath been through utter HELL in my life in what the cabal has done to me....and yet I have integrated and healed those fragmented parts into wholeness, into Love/Source/God itself. Through this and much more than I can ever even share. And as I said in my video, perhaps I shall share more of that in time....yet for now, what I choose to leave ye with just now is this above here and invite ye to really come into these questions~

1. Can I see and embrace the shadows within me, within others, within even the cabal whom have harmed all of humanity and come into healing those fragmentations and seek help with this as needed?
2. Can I truly take within me another as me, as Source/God so that I nae harm another ever again for as I do I Am also harming me? Can I really get that, experience that to the core of my being?
3. Can I walk a mile in another's moccasins to ken (know) how deeply hurting within them they are to harm me and others?

4. Can I stop harming myself with harmful thoughts, toxic things put into my body temple and begin to integrate and heal this?
5. Can I move from fear into Love and REALLY LIVE? And how can I be and do that right here, right now in appreciation of and for LIFE and ALL of life including me?

Things like free energy, the ability to live freely without being bound to money, debt, slavery, harm IS possible and IS coming! Are ye REALLY ready to take full responsibility (ability to respond, responsibility) for yer life and the lives of all humanity each of us as One to really be able to embrace it all in spiritual maturity in honour and reverence for it and one another so as to nae harm? We are SO much more powerful than we realeyes! It is what we be and do with that power in responsibility (ability to respond, responsibility) to, for, and with that power of God/Source within us and how we care take for ourselves and one another that will determine our ability to harness that power responsibly~ ability to respond to, from, in, and within Love/God/Source as God does. Are ye ready to be and do such? Are ye ready to stand for this? And to truly respond nae matter what the outcome is of life, death, or whatever inbetween come what may of these consequences of your and our choices? We hath been living with such all this time of such consequences unknowingly, can ye consciously choose now? Awakened choices! Choosing as Love/God chooses? May this Flower Full Moon guide ye in Love/God/Source always, in all ways in what would Love/God/Source do, say, and be now....to be continued....~

To continue from all my posts here on my timeline below as of recent (please go back through the last 15 or so posts here on my timeline as I share my story....) something I posted on tritter back on 04 May that I added to just now that I will share here now~  
The cabal through people like Obama, Trudeau, and others allow things like this to occur <https://ihrp.law.utoronto.ca/voices-inside-detention-luc%C3%ADa-vega-jim%C3%A9nez> with nae repercussions. It will never be known that she was more than likely murdered and that the reason she was afraid to go back to Mexico is....because she was being sex/human trafficked and still to this day nothing has been done in Canada, in America, or worldwide. Innocents harmed. I ken (know) I Am one....this and more....the only thing that kept me going through it all is my faith in God/Source. Innocents whom are harmed, who are silenced and nae longer have a say, meanwhile other illegal ones whom sex traffic, human traffic, and worse roamed the earth free until recently. Nae all illegal people come into countries just cuz....And the reason why I ken (know) of her story is because I have an indirect tie to her and her story....and I was one of the ones who helped to break her story to the world, since she had nae voice. Yer voice matters! for all those whom cannae speak!....to be continued....~

....to continue with my posts as of late (please see my last nearly 20 posts here on my timeline related to my story below)....much as General Flynn, I too have been through similar (and worse in some cases) at the hands of the cabal (please refer to my posts below here in my timeline having to do with human/sex trafficking and more) this link here may shock some of ye, yet the world is to ken (know) what the cabal (beginning with this video are capable of)

American White House press secretary said the other day in her press briefing that if they can do this to General Flynn they can do this to ye....well they did do such to me and much worse! For any of ye who dinnae ken (don't know) of Q and who still think this virus is about just that, it is about SO much more than that! Understand and ken (know) this my beautiful facebook Soul Family~ As most of ye hath seen from my recent video I did on youtube (if ye nae saw it scroll through my timeline here below to see the link for it and also all of my posts related to it also below) this of #ObamaGate and the Cabal is personal for me and I have been silent all these years for a damn good reason and only now feel safe enough to start sharing such things. Whilst I hold in my heart compassion for these beings whom have harmed me personally and countless others, some of ye who are nae awake to all this are just beginning on this path of it, please ken (know) I Am here for ye for it is because I have been through such hell that makes this lockdown and what it really means like a walk in the park for me compared to the hell I have suffered at their hands yet gives me the ability to help those whom need it now in awakening to this simply because I

have been there and I have healed/integrated through it. Also make nae mistake that whilst I do hath compassion for such harmful beings and forgive them for they dinnae ken (know not) what they do, at the same moment, justice with mercy for ALL of them is to occur and will occur! And right now more than ever, we are to anchor both the Light of Love we are as Soul Consciousness together as One, standing for that Love, in that Love, and BEing that Love and all its attributes of loving kindness, compassion, caring, giving, showing another you love them and telling them, co~creation, co~operation, empathy, compassionate listening, community, freedom, union, the benefit of all, gentleness, tenderness, softness, real, raw, vulnerable from the heartness, generocity, how may I serve, what may I give, how can I assist, what is the loving thing to say, do, be in this moment, upliftment, encouragement, seeing the God (Gift Of Divinity) within one another and all, We are also to stand for justice with mercy for those beings whom have harmed us all in crimes against humanity and ensure that nae ever again this occurs on earth or cosmos! I love and appreciate all of you! It Now begins! ~♥️🙏♥️🙏

Well this just confirms what they just did to me (and have done my whole life!)  
<https://www.bitchute.com/video/J57zvIFDvm1V/> Thing is though they were never able to fully penetrate me with the whole trauma based MK shite! And THAT is what pisses them off and at the same time has them seek after me both to try again and again, and also to find out why and how to use my gifts that dinnae allow for such fragmentation to occur as a weapon!

Well this just confirms what they just did to me recently as I have been deathly ill just now starting to come out of it to feel somewhat normal (and have done my whole life!)

There are moments whence we feel helpless, powerless, as if all seems hopeless and a I Am only just one person, how can I change anything? I ken (know) what that feels like more than most with all I have been through as shared of some of my story in all the many what 30 plus posts now below here on my timeline. There were moments whence I came to a point where I was forced into such pressure in the harm being done to me that I felt like I had nae choice other than to choose what it was I was being forced into or die. And although they did what they did to my body and many a time attempted to do such with my soul and spirit, the one thing they NEVER could do nor never will be able to do is take that from me! And the feeling helpless, powerless, hopeless, and as if I Am only one person how can I change anything turned into an inner strength, an inner power from Source/God that no one and NOthing can ever take from me. Yer alignment, attunement to that Source/God power and to moving in the multi~dimensional realms of consciousness nae as a spiritual bypass or self defensive coping mechanism to somehow get ye through it, yet coming from the true connection of who ye

really are as Soul Embodied IS how ye can change EVERYTHING! Will it help ye to do such in those actual moments of the circumstance ye are in such as I of abuse, torture, trauma and more....maybe nae, yet what it does do is both help ye to move through the trauma in that moment of what is the best for my (and perhaps others if involved) protection/safety in this moment, and then a moment by moment awareness that although the coal was pressured so much, ye are now a Diamond and that Diamond has tools and talents and capacities within in which ye are awake and aware and can choose differently so as to nae ever occur again. Even if it seems as if we are being pressured into a choice where we feel we nae have any choice, the choice ye choose still is that choice and ye become aware that ye are choosing that choice willingly for as was said before in my post below~ as the Oracle said in the Matrix~ you already made that choice (before you came here to this life) now you are here to remember WHY you made that choice and also she said in another part of the film (paraphrasing) here is something that is going to bake yer noodle, would you have still made the choice to knock over that vase if I had nae said anything?....thus it may nae always be the choice that ye would prefer to choose given a circumstance, and at the same moment, ye still choose. And the freedom to choose IS and WILL ALWAYS BE yers! And within that, ye DO have the power to change things for ye are taking yer power back from that whom seeks to take it from ye. Ye are nae helpless, powerless, at the mercy of some person, circumstance, situation for ye demonstrate that through the power of yer choice, that that power is within ye guided by Love/Source/God and is ALWAYS, in all ways YERS! And that power can move mountains (even if in that moment it appears to nae do such it does as Jesus showed us within his choice to willing die)....what do ye choose? How will ye choose rather than be a perceived victim, instead to be a victor within choice? The power is always, in all ways, within ye, ye are to just come into it within yerself and shine it like the Diamond ye are (and nae accident my surname is Diamond eh! A blessed gift from my former husband of his surname and apropos!)....and always remember, ye are never alone....even if it seems as if that is the case, ye never are! Source/God is always there and whence ye reach out, there are others who are just like ye, for we are all connected, in ways that we cannae even fathom at moments....and there are people there who really care, even if all ye can see is that loneliness, there is always someone there. God always sends us angels....to be continued....

As I have been sharing of my story in bits and bobs....I shall continue here now with this~ I would like to explain to all of yous just how important what President Trump did yesterday within the EO (Executive Order) having to do with social media (see my post on my timeline below for more on this if ye missed it). Since its inception, unaware to most of yous I Am sure, platforms such as twitter/facebook especially (as well as others if nae all) are ultimately controlled by the CCP (Chinese Communist Party) under the guise of their American owners and they allow posts like child porn, sex trafficking, human trafficking and worse (and actually have predators use these platforms to get children and adults so they can rape them, sex/human traffick them, sex slave them, satanic rituals, and worse), paedophilia to be ok to post on these platforms yet sensor us from speaking our minds under the first amendment. I cannae tell ye HOW many times I until yesterday would get hit on on facebook by so called men telling me they love me, loving my photos PM's of creepy shite etc which is all part of how they lure and/or massive friend requests and bizarre shite like that in an attempt to target me and others. Some of ye on here can relate to that.

So what President Trump is doing will regulate them, investigate them and stop all that! This also goes hand in hand with the EO's (Executive Orders) on sex/human trafficking signed recently in the last few month, as well as, beyond this since President Trump has been in office, to STOP this happening to our children and adults alike, it is why the wall on the southern border with Mexico is being erected and why recently President Trump has also gone after the drug cartels and human/sex traffickers and has been his whole presidency yet concentrated much more lately in DUMBS (Deep Underground Military Bases) in which this is occurring as ye may have seen my post of such before related to this. As I have shared before, this is deeply personal for me, as in many ways I have been subject to such, including something that happened to me back in 2014 in which I was so harmed by the cabal that whilst I will nae give full details here just now, what I will say is this~ I got to intimately see what is underneath Van (Vancouver) Airport and it is an entrance to a DUMB in which they threatened me through psychological torture to take me down there if I ever defied them (stood up to them) again, nae once but twice!

I would invite each of ye to do yer own research on what I wrote above related to DUMBS and social media. I also have posts related to this below on my timeline or if ye fancy any links just message me. Thus, as I said before in my posts here on my timeline, I will say again, this is personal for me and these people need to be brought to justice! And this of the social media EO from President Trump is a part of that process of which I Am deeply appreciative of beyond words that my heart can express just now. As it is a way for all of us the world over to feel protected to both speak our hearts and minds free from suppression yet also to be safe/protected from things like I write here....to be continued.... ~❤️🙏❤️🙏

It seems we are hated/sought after by the cabal for the same reason President Trump <https://youtu.be/PLx4gtVkdWs> There are many parallels and connections between us (ye and me) I already ken (know)....The Best is Yet to Come! ~❤️❄️❤️❄️

This day and due to all on in America with the staged and also purposefully induced riots occurring, I feel this proverb is quite apropos~

A woman's highest calling is to lead a man to his soul, so as to unite him with Source. Her lowest calling is to seduce, separating man from his soul and leave him aimlessly wandering. A

man's highest calling is to protect woman, so she is free to walk the earth unharmed. Man's lowest calling is to ambush and force his way into the life of a woman.

~Cherokee Proverb

It may appear as if all is falling apart, yet that is whence all actually begins to fall into place. Like whence we get ill with a flu or virus, we often experience a healing crisis of things getting worse before they get better....this is where we are at this moment....yet always remember....just as ye heal from a flu or virus ye get better eh!....so too is what is occurring now....we are getting better through purging the chaos and....we are better, together!

....so to continue my story of how the DS (Deep State) cabal have harmed me, making me a TI (targeted individual) since before birth....

Now that President Trump has come out with this publicly today

<https://twitter.com/realDonaldTrump/status/1270325223242506241> I feel I can share more of my story....

Back in 2010, just 3 day before I went back home to Canada to be with my twinsoul, this man by the name of Tom (he called himself Tom, though I gave him his soul name during our conversations of Kiounton) contacted me on a spiritual/psychic line I was on giving Akasha (Akashic Record) Reading Sessions on....he would often call in and spend lots of money on the line (and subsequently offline asking me to make channels for him) and asking me questions all about satanic rituals, cannibalism, eating other beings and such wanting to ken (know) if I knew of this, if it was possible, what my personal beliefs were about such etc. He said he lived in Seattle which we all ken (know) is a haven for sex trafficking/human trafficking, DUMBS (Deep Underground Military Bases) in which these things along with torture, rape, experimentation of humans, cannibalism, satanic rituals are done. He continued this contact with me between 2010 and 2016 off and on and he had a facebook account as well which is no longer around and he would message me off of it and I still have those messages. He was very creepy in my interactions with him and I knew that I was both being watched by the cabal and they were also attempting to use me for my gifts (as I shared of in my Project Looking Glass video here <https://youtu.be/l1VMLtJXhdc> which I never gave fully away) and also trying to get me sucked into their satanic crap which I never would do. I have had several over the many years (including one recently who claimed to want to have sessions with me due to twinsoul connection and immediately began talking about her twinsoul having demons and how he had to feed them and other satanic stuff trying to get me into that energy which I never would), and it has been very scary to be targeted and so President Trump finally outing them today has me feel that soon they will all be exposed and indicted in military tribunals for their crimes against humanity. If any of ye have yet to see films like Fall Cabal, Out of Shadows, and look into DUMBS, I would invite ye to so ye can come to understand more....being targeted like this has nae been easy for me, yet I always see right through them so able to suss them out right away....this has nae been easy for me, yet I ken (know) that President Trump, Q, and the alliance around the world are ridding of these lost souls so they nae harm me or others anymore....the spiritual gifts I have that I was born with are nae of the devil nor do I use them as such. My connection with God/Source and the Akasha (Akashic Records) is something to be honoured and revered and this I do and I use such to help humanity and always have and I will NEVER succumb to their luciferian agendas! this is only one reason why (among others I have

shared and more I have yet to share) that this is personal for me what is on in this world now....to be continued....~❤️🙏❤️🙏

~~~~~  
Ok, so this is something I shared with a woman I mentor (and before that on the day of the space launch with my twinsoul) that I feel now to post here now to share with all. This is what I wrote her~

What if I were to tell ye that the space launch was fake? As was the moon landing and more? What if I were to tell ye that we never have YET gone to space? Might be hard to believe but it is true! Just like we have been lied to with SO many things, that too was fake! And here to show that is the case have a look at this from the 'supposed' launch on the Saturday gone <https://twitter.com/BeachMilk/status/1267018581633495040> if ye watch closely ye will see a mouse! Now how is it a mouse can withstand the heat and pressure of going into space? Answer is it can't, it would literally disenegrate! All the space launches etc have been nothing more than filmed just like they do for the movies! They light a rocket, shuttle or whatever and ye see it go off aye, but what happens is it goes AROUND the earth! I will explain why and here is where the good news comes in~

SO here is the good news! Now that ye understand that President Trump is a time traveler ( <https://youtu.be/PLx4gtVkdWs> which also ties into my video here <https://youtu.be/l1VMLtJXhdc> and my post <https://www.facebook.com/Nenari/posts/10219159187348556> ), ye also understand it is possible for us to really travel into space and multi~dimensions. This is done with Tesla's technology that was 'stolen' whence Tesla was investigated, in other words silenced whence he discovered this. BUT guess WHO got all the papers on his work? Are ye ready? None other than President Trump's uncle John Trump who was called in by the FBI to examine Tesla's works whence they were seized (reference [https://en.wikipedia.org/wiki/Nikola\\_Tesla](https://en.wikipedia.org/wiki/Nikola_Tesla) and the link to his work and more here <http://u.pc.cd/uLRctalk> ). SO guess who kept those documents and ended up giving them to our beloved President? Do ye see where this is going? How exciting this really is?

Ok, SO President Trump knowing this, he reignited NASA (which the cabal shut down so as to continue to suppress any hopes of space travel for us etc using Tesla technology) and Mr. Trump has also created Space Force, complete with an EO (Executive Order(s)) for us to travel to the moon, Space Force itself etc and ye can see that here in this video [https://youtu.be/\\_OS99FJ2at8](https://youtu.be/_OS99FJ2at8) and in this video if ye listen closely to what President Trump says, ye will see the clues of how he knows what I Am sharing with ye here. SO this said, he allowed Elon Musk (who is with the cabal, he is funded by George Soros who is one of the 13 cabal bloodline families ruling this earth [https://www.youtube.com/watch?v=jS\\_kYRP7XN4&t=11s](https://www.youtube.com/watch?v=jS_kYRP7XN4&t=11s) and by the way causing the riots ye see, he is funding ANTIFA!) to do his Space X stuff knowing it was all fake and I will explain why in a moment! During all this lead up to the launch, NASA's name was on all this BUT NEVER Space Force on it. So one is to wonder why? Well here is why. Both the fact that Trump knows the launches are fake AND what if I were to tell ye that the earth is flat? That it is really a torodial field but what we live upon is flat? SO Mr. Trump also knows this. And I Am going to share with ye how he knows in a moment, yet I would invite ye to dive into more on this both here in something I wrote <https://www.facebook.com/Nenari/posts/10211961460529884> and then also within this link <https://www.youtube.com/user/MrMartinkenny/videos> good place to start for flat

earth, whence ye click on the link scroll down all the way to the first video from 3 year gone and begin there 😊

Ok, so with all this said, since the earth is flat and whence ye dive into the videos I sent ye the link of this will make more sense to ye, what happens is everytime a 'rocket' is launched, it simply orbits the earth as it cannae penetrate the firmament dome we have. So now this said, on the Saturday, if ye notice this here [https://www.youtube.com/watch?v=oatnevF4\\_hE](https://www.youtube.com/watch?v=oatnevF4_hE) this is President Trump's speech at the Kennedy Space Centre after the supposed 'launch' in his speech ye will notice at one point that President Trump says looking at Elon Musk of how he and Space X are launching astronauts orbiting around the earth! NAE out into space, NAE orbiting in space, nae anything like that, BUT says specifically launching astronauts orbiting around the earth!

So here is the places where he says certain things~

22:19 which is many, many stories of only engine and fuel

28:57 Space X became the first private company to put humans into orbit around the Earth.

29:04

Elon Musk, congratulations.

29:07

Congratulations, Elon.

30:13 From now on, the United States will leverage the fast-growing capabilities of our commercial sector and the finest pieces of real estate on Earth --which you need very badly -- to send U.S.astronauts into space.

Telling eh! So why would he say such a thing? One thing to understand about Trump is he NEVER says anything incorrectly and he always says something for a specific reason! SO this was said deliberately and is due to ALL I have shared with ye above that he is FULLY aware of and he set it as a trap for Elon AND then also in this speech ye will notice how he also made a big deal about how he/we created (we he says as in him and his administration) created Space Force which ye noticed is NAE mentioned at all in being part of this launch and how Space Force is going to be amasing etc. So now that he has outed Elon, the process has begun to expose the fake launch and Elon and Soros and once he is done with cabal Elon he (Trump) will show everyone how we REALLY do it eh with Space Force and Tesla's time travel and space travel! Which then opens things up for us all to have things like are in Star Trek (which is real by the way and is occurring in another dimension and the cabal used Looking Glass technology to put that into the series of it) teleportation, space travel, time travel/multi~dimensional travel.

AND guess what? YOU and all of us will get to experience it, probably in 2021! Which goes to what Trump also emphasied in his speech (and has many times recently) about how next year is going to be beyond what any of us can imagine (paraphrasing his words) and the best is yet to come! We will nae longer be bound to just this earth and will be able to meet and connect with other beings, other planets, stars, star systems, and do things like levitate, have cars or better said vehicles that hover, so much more! So that something on the tip of yer tongue and what ye are looking to immerse yerself into, here it is! The videos and links I sent ye above will get ye started! 😊 For aye as ye said this all has ye think beyond just yerself and there is SO much more now opening up. Right now, we are dealing with the muck, aye, but what is coming is beyond amasing! I will leave ye with this to explore for now and will check back in with ye on it soon

P.S. whence ye hear the video on the Space Force flag, listen to what President Trump and the others say? They all speak about defending in space and a space war etc....why is that? Because Star Wars IS REAL (again the cabal used the Looking Glass technology to put it in the film, predictive programming) and so ultimately along with what I wrote below, America is now able to defend itself as well as for us to be able to travel in space and that they (Trump and others in his sphere) have actually been accessing space and the multi~dimensions through what I shared below of Tesla's energy and the cabal factions are there as well in the intergalactic realms....to be continued....~ ♥️ 🙏♥️ 🙏

~~~~~  
....so to continue with my story (and if ye hath nae read such thus far, I have it here at this link <http://www.diamondlady.net/assets/files/MyStory.pdf> of all my posts thus far on facebook/twitter)....back in 2003 to 2004, as I had just published my first book on homeschooling (unschooling/Life Long Learning, actually called Life Long Learning, published under my earthly name as I nae felt safe enough to use my soul name and had nae legally changed it yet) I was receiving both channeled wisdom from God/Source, the Akasha within the multi~dimensions, and then subsequently actual research on multi~dimensional consciousness, hypnosis (which I had been into self~hypnosis and such for many a year and is how I gave birth to my first son back in 1991), and more....

....so the cabal knowing that I had such research and was going to publish it in my upcoming second book (which I published in 2006), both my research, along with my identity was stolen in 2004. And just after this to bring the point home, the cabal then sicked CPS (Child Protective Services) on me saying they had several reports from people that I was harming my children (due to homeschooling)....at the time, my former husband and I were separated and thus I had him come down from where he was staying (living) with his father at the time so we could show a joint stable front against CPS and for my children....what most dinnae ken (don't know) is that the CPS's of the world are nae there to protect yer children, they were created as a means to take children from their parents so that they can be child trafficked, sex trafficked, human trafficked, satanic ritual sacrificed, rape, child porn, organ harvesting for cannibalism, etc in the DUMBS (Deep Underground Military Bases) that are throughout the world in which the cabal illuminati elite (including famous people ye ken (know) in music, sports, films etc, politicians, the 13 main illuminati bloodlines etc) can continue. This is also why millions of children go missing every year, as well as adults....many social workers etc really feel in their hearts they are doing a good thing yet they have nae clue what is really on with it all for if they did, they would never be part of such, many are so in the dark on this....

....Knowing this and knowing what they were about to do, is why I called my former husband and we were able to save our children from such a fate as we made sure the social worker would never do such as we had done nothing wrong and well by law they cannae tell ye who made the calls of course yet on the surface I knew one of our 'neighbours' was a cabal spy and was certain she was one who called and sadly I also knew that my family was probably another one (will have to share why of the background of my family in their satanic origins at a later time, which is why I have nae anything to do with them)....the social worker (bless her heart, definitely an angel sent from God/Source) said to us that homeschooling was nae illegal and that school choice was the best for children and she could see there was nae anything that would warrant our children being harmed by us and she dropped the case. Thank GOD! Yet I

KNEW where all this came from (including me being followed etc) and it goes along with the whole of my story thus far I have shared and also this above....the cabal were making it most clear that if I publish anything in my then new book (2006) regarding the research I came into that they would go after nae only me but what I loved most my children....

....needless to say I only published certain things in that book and also since that time I was and have been what they nowadays call as shadowbanned online....before it was even called such, anytime my youtube videos or facebook or anything starts gaining momentum, it gets shadowbanned. I have had SO many come to me over the many years before and since internet saying to me, that I have so much wisdom within me and such a wealth of research confirming it and that I have transformed their lives and why Am I nae out there more with my work, well this is why....there is much more to this of my story, yet this is a piece of it here....and why I share it now is that I just discovered this

<https://www.cia.gov/library/readingroom/docs/CIA-RDP96-00788R001700210016-5.pdf> it has now come to light! THIS set of documents here was one of many research documents that I had that was stolen as I share above....

....subsequently to this, in 2008 and 2010 (twice) whence I went home to Canada, all three times I was harassed at the border and questioned (interrogated) and worse (which I will share later more on this) and during such, they demanded that somehow I had been to Quebec/Montreal area....which I came to understand why....due to what I wrote above here of my identity being stolen, someone (and I have reason to suspect a clone of me had been made by the cabal as aye, there is cloning that has been occurring of many since the 1940's and any of yous whom have watched X Files that is predictive programming as I have shared of such before in my other posts, see link above, that X Files is nae just a show, it is REAL and an in yer face account of some of what they do in the DUMBS) had used my identity to go into Canada there which I have nae been there to that part of Canada before....there is more to share with this which I will soon, and now ye can understand more why for me this is personal and how deeply appreciative I Am to Trump, Q, and the alliance of those the world over whom are bringing justice with mercy to these beings whom have harmed me, my children, and so so many....aye, there is more, much more I shall share as I feel protected/safe enough to do so, yet for now, have a look at the amasing file above to understand more on consciousness....to be continued....~❤️📄🙏❤️

My Dearest Beautiful Soul Family~

This week and beyond it is going to be quite difficult for the masses. Many of yous are awakening yet there are so many who are unaware. Having had my own path in being harmed by the cabal (and if ye hath nae read of such what I have shared of my story thus far is here <http://www.diamondlady.net/assets/files/MyStory.pdf> ) for me, it was hard enough going through what I did and as it is now being revealed more and more of the horrible things that many in

this photo (along with many others) hath done, many will be shocked and sickened by such truths coming to Light from the darkness now. This week and going forward is set to be a hard week with all that is starting to come out about the children and all involved of the many in sports, music, film etc as well and this is Epsteins little black book <http://www.mediafire.com/file/w9hszb9xq1ad709/JELBB.pdf/file> and of Q's list (which is partial there are more) here <https://qposts.online/post/4577> and then these posts I did here <https://www.facebook.com/Nenari/posts/10219449585848337> and <https://www.facebook.com/Nenari/posts/10219454297846134> and <https://www.facebook.com/Nenari/posts/10219475377013100> and <https://www.facebook.com/Nenari/posts/10219458251424971> and <https://www.facebook.com/photo.php?fbid=10219440799828692&set=a.2234042248579&type=3> and on Turkish mainstream media last weekend <https://twitter.com/DogFluffpup/status/1277214867351625738> and there is more coming out)....this week will be a hard purple pill (multi~dimensional awakening) week for the masses of the realisation of it all. To many this will shatter their world as they knew it. For all of the supposed 'stars' they hath come to honour and revere in music, sport, film etc will now be revealed to have been part of such horrible crimes against humanity. Understand something beautiful souls~ ALL of those in film, music, sport in some form or fashion are involved in the cabal. It is a prerequisite for being famous, they require ye to 'sell yer soul' to their satanic ways and is why I never did such even though they tried to lure me many a times into such over many years and then harmed me for nae 'obeying'. Some are by being sold into the cabal through nae fault of their own like MJ (Michael Jackson and there is more coming out)....this week will be a hard purple pill (multi~dimensional awakening) week for the masses of the realisation of it all. Some are by being sold into the cabal through nae fault of their own like MJ (Michael Jackson) and all the Jacksons are or were. Some are only in a little bit and nae involved in the deeper stuff, some are really hard core into it and some have attempted to get out yet it is like the mafia, once in nae matter what way that happened, the only way ye get out is death and this is why whence the cabal falls ye will see some of those ye name will go with them, some will be relieved they can get out and are free finally, and everything in between. Those who get out and are free are too (also) traumatised and will need healing as we all collectively will.

Being that I have been through this personally and healed from it, I stand at the ready here for ye and for all who require assistance in healing from this that is being revealed. There are deeper levels of compassion and healing to come into in deeper understandings (some of which I shared here years gone in this video here <https://youtu.be/GIcqd3vGbzc> and also in my link of my story above, as well as is shared in the film Kymatica here <https://youtu.be/AanQ2mY2jjc> ) We in the ken (know) whom already ken (know) of this and hath healed through it are now the ones to step up and to be there for any whom are hurting through this as now on forward this is the hard part of the 'war' as it were. These tragedies are what will unite all of humanity. For the children harmed. Now is the time. Dark to Light, all that has been and is dark/shadow coming up and out into the Light to heal. Now are the moments to be within deep meditation and connection with Love/God/Source and also with one another holding that healing Light of Source's Love and vision that humanity is beautiful and IS the Love that God/Source is. Whence one hurts we all hurt. As one heals, we all heal.

Now more than ever, unity is what we require. Nurture yerselves and one another and ken (know) I Am here for ye if ye require such. WWG1 ♥️ WGA! Worldwide! ~ ♥️ 🙏 ♥️ 🙏

I was asked recently that if God/Source is so real then why it is that God/Source has us suffer and creates wars and horrible things in our lives, to which I answered with the following wisdom~ It is nae God who does such, it is man who creates such and God/Source created us with Divine Free Choice (Divine Free Will) as well as God's/Source's will and our task is to choose God/Source. Relative to how much or little we do individually/collectively will be our experience. Peace is free from being the absence of conflict, it is who ye are choosing to be within conflict....are ye choosing peace? Are ye choosing Love and all its attributes of loving kindness, compassion, caring, giving, showing another you love them and telling them, co~creation, co~operation, empathy, compassionate listening, community, freedom, union, the benefit of all, gentleness, tenderness, softness, real, raw, vulnerable from the heartness, generosity, how may I serve, what may I give, how can I assist, what is the loving thing to say, do, be in this moment, upliftment, encouragement, seeing the God (Gift Of Divinity) within one another and all during such moments of conflict? To the degree ye are being this will be to the degree that yer experience is

To continue with my story in sharing as I have here in other posts (and for this please see here <http://www.diamonddady.net/assets/files/MyStory.pdf> )....sharing all this as I have has nae been easy, yet I feel to assist humanity is why I do....

People are to really understand what the masks really represent. Many misguide people due to fear and indoctrination by mass media, governments etc think they are supposed to wear masks yet it is unlawful, illegal, etc as I have shared here

BEYOND that though, is to really understand what is deeper behind wearing a mask. It is submission, it is also related to torture and harm. Bless this beautiful Divine Masculine man for posting this here <https://twitter.com/martingeddes/status/1284162895291523072> and my response to it was this (as I posted it onto my twitter ~ 'Having been raped at 15 by a man who I worked with who was clearly connected to the cabal & having had that experience ye write I can attest to that & is why I dinnae wear such nor do I support people who do because of the reminder of the trauma (though I healed) inflicted upon me'

I will go further and share that as a child often times whence I was beaten by my mother with a tree branch (we had a purple tree in our front garden in which whence she was to beat me would tell me to go out and get my 'switch') or a shoe or a brush, belt, whatever was handy, she would often cover my mouth to keep me from being heard whilst she beat me. Or other times whence she would stick a bar of soap in my mouth to as she said 'wash the sass out of my mouth with soap to 'clean' me' she would do such covering my mouth sticking the bar of soap in and covering her hand over my mouth....this went on from the time I was a wee lass

(earliest memories I have were from being 2 being beaten because I had soiled my nappie and my mother covering my mouth to silence my screams as she beat the sh\*te in my nappie smearing it all over me as she did) until I was 13 whence in self defence I grabbed a knife on the kitchen counter whence she was going to grab me to beat me so as to stop her from harming me any further...

In being raped at 15, I was raped by a man whom I worked with who told me he would give me a lift home (my parents refused to come collect me and demanded I walk home or find someone else to bring me as I was working too late (10pm) for them!), he deliberately took me to the church carpark (church was a block from where I stayed/lived) and he raped me in the car with his hand over my mouth to shut me up....I barely got out of the car alive and I struggled to get home and whence I arrived I had my father tell me I deserved such! The man who raped me I came to find out later on was a serial rapist and clearly involved in cabal satanic stuff/sex trafficking etc. and it was because of this and the fear I had being so young that I dinnae file a police report nor pursue any court action for fear of what he or others would do to me. In all such instances (along with others I have yet to share) I felt and was literally powerless, suppressed, controlled, and unable to be freed from such, I had nae choice but to comply!

Though I have healed from such PTSD and e~motional/psychological/mental/spiritual abuse/torture/trauma (and teach others how to heal from such as well), things like masks, loud noises, bright lights (from other tortureous things that happened to me as well as what I write above here) and other such things still linger and probably always will. There are just some things that nae matter how healed/integrated ye become and how spiritual ye are, that always stay with ye.

I was in the supermarket this day and everyone in the shoppe (Tesco's) was wearing masks, except me....and bless her one other beautiful Divine Feminine Goddess....I approached her and said how good it felt to be around someone like me....she responded 'aye, I feel like we are in some sci fi film of horror' and I agreed with her and said that it is mad and she said I hope people soon start getting it like we do and that this ends soon....I agreed with her and we smiled with one another and then continued on with our shopping....she kens (knows), she understands, gets it....it felt good to be free....and nae anyone in the shoppe looked at me funny and the gentleman and lady at the till both were kind as well, there was an unsaid understanding that they could feel within what I write here....

So besides breathing in yer own CO2 and causing hypercapnia along with perhaps any stress or anxiety it would cause me or anyone wearing such, there is another deeper side to the whole mask wearing that is a psychological form of torture that is being perpetrated upon humanity that is nae being spoken of much....even our wee ones (children) are being forced to wear such by their parents etc which is child abuse! Please be mindful of what it is ye are choosing to comply with. In what I shared above I had nae choice but to comply....YOU DO HAVE a choice!....and to those in the governments whom have the power to stop this madness (President Trump and Q and others) please, remember yer oath and do so....for ALL our sakes!....to be continued.... ~ ❤️🙏❤️🙏
